- Clarity through Astrology

## The Collective

### Julie Anne Hart

Julie works with visionary prophecy creating higher dimensional leadership.

A conduit vehicle for exploring the DNA within oneself, the often-hidden purpose and potential that is never acknowledged, often diminished through layers and layers of external conditioning culturalization, socialization and misplaced values that separates someone from a sense of self and purpose. When the DNA within you is unleashed, you become awakened and aware to all that you are.

Working with Julie enables you to get to the root of the issue, identifying the core of the problem, to provide the right outcome.

### Jacqui Moore

Jacqui works with movement to align you to your potential.

Life is movement – physical, intellectual, emotional, spiritual and mystical. Jacqui helps you to unlock this movement to create balance, wholeness and completion with self, so you can move into your higher potential with ease.

Jacqui brings greatness through grace and gratitude in understanding the bodies energy through the activation of movement and the integration in alignment with the power of our emotions, mind and unique essence.

It is the alchemy for forward movement of inspired production.

Working with Jacqui enables you to ignite your inspiration through movement.

## Sarah Trim

Sarah leads with compassion when working with empowerment and core values. Helping you end the separation that creates competition.

Her focus is personal and professional dynamics – igniting your pathways to peace, passion and purpose.

Sarah brings forth her unique energy of love, truth and humanity. Sharing a deep understanding and a longevity of experience of what needs to change within the workplace and within oneself in order to restore balance and harmony within the inter-dynamics of how one relates. When these inter-dynamics are fully understood and integrated both personally and professionally within the way you relate to all things, there will be a rise of potential,

productivity and a deeper understanding of the human mechanics of profit.

Working with Sarah enables you to find the clarity to prioritise what is important in life and leadership.

## Pam Bailey

Pam is an expert in change management. Pam uses her innate expertise and high-level corporate experience, connecting you to unlimited leadership to birth your brilliance.

Pam delivers understanding, advancement, the art of leadership and feminine power in a multitude of ways, including the advancement of health and wellbeing & the balance of work, home and leadership. A prelude to the bespoke potential within the individual.

Working with Pam enables you to align with health management.

# The Collective

## Alison Jarvis

Alison is a natural healer who is a catalyst for change.

She enables you to awaken to your inner self, helping you on your journey to self-discovery by removing blocks and restrictions that hold you back.

Alison brings forth the acknowledgement and ownership of true emotional health and wellbeing. When one identifies with the emotional health or ill health at the core of their being, through the identification process they are able to release, rise, heal, empower and lead, through the activation of all senses. This brings forth insight, intuition and advanced inner knowing of the potential within.

Working with Alison enables you to balance the senses in order to encapsulate positive, mental attitude.

## Deborah Morgan

Deborah focuses on the prediction of rhythm and flow through personal and professional timing. Clarity comes from understanding your energetic cycles.

Deborah delves into the hidden wisdom of ancient knowledge that allows your advancement on every level. It is in the depths of personal understanding that graces you with the knowledge to personally shine. Through understanding your energy, rhythm and flow, akin to planet. When you understand when to stop and when to start, your health and wealth will advance.

Working with Deborah enables you to receive direct Life Path guidance.

## How Do The Sessions Work?

Over the period of the retreat, you are provided with a variety of sessions from the above Collective team. You will receive a personal Retreat by Design schedule detailing the dates and times of your sessions.

The program will be bespoke to your needs and balanced with regards to the emotional and the physical. Time will be provided between each session for your personal downloads, nourishment and reflection.
